中考英语完形填空：第一次体育课测试

完形填空原文

This week, our PE teacher announced that there would be a fitness test. We *1* run 800 meters, do sit-ups, and jump rope. Many students looked worried *2* they heard the news.

I was especially afraid of the 800-meter run. During summer, I had spent most of my time *3* indoors and barely exercised. My friend Xiao Ming suggested that we *4* together after school every day to prepare.

On the day of the test, the weather was sunny and cool — *5* for running. When the whistle blew, I started running at a steady pace. By the third lap, my legs felt as heavy *6* stones. I almost wanted to stop.

Just then, I heard Xiao Ming shouting, "Come on! You *7* do it!" His encouragement gave me strength. I kept running and *8* crossed the finish line.

The result showed I finished in four minutes and twenty seconds. It was not the *9* score, but it was my personal best. I learned that with enough preparation, we can overcome any *10*.
