中考英语完形填空：教室大扫除

完形填空原文

Every Friday afternoon, our class has a general cleaning time. Last Friday, the teacher divided us *1* four groups, and each group was responsible for a different area.

My group was assigned to clean the windows. They were so *2* that we could hardly see through them. I filled a bucket with warm water and added a little soap. We started wiping the glass with wet cloths, and the dirt came *3* easily.

Wang Hua, the tallest boy in our group, volunteered to clean the *4* windows. He stood on a chair and reached as high *5* he could. I held the chair steady for him because I was worried he might *6*.

After an hour of hard work, the classroom looked completely *7*. The windows were so clean that sunlight poured in brightly. The floor was swept and mopped until it *8*.

The teacher walked in, looked around, and gave us a big thumbs-up. "Great teamwork!" she said *9*. We all felt tired but *10*. A clean environment really makes studying more comfortable.
