## 完形填空原文

She prepared white plastic masks, acrylic paint, brushes, feathers, and glitter. Each student could design ***2*** own mask in any style they liked. Some chose scary themes, while others preferred beautiful or funny ones.

I decided ***3*** a phoenix mask because the phoenix is a symbol of power and rebirth in many cultures. I first painted the base with bright red and gold colors. ***4*** I waited for the paint to dry, I drew my design plan on a piece of paper.

After the base dried, I carefully painted feather patterns around the eyes. My hands were a little ***5***, so some lines were not very straight. But the teacher said the slight imperfections actually made the mask look ***6*** natural and artistic.

The most fun part was adding real feathers and glitter. I glued orange and red feathers along the top edge and ***7*** golden glitter around the eye area. The mask sparkled under the classroom lights.

When everyone was ***8***, we held a small fashion show. Each student put on their mask and walked in front of the class. My phoenix mask ***9*** a lot of attention. One classmate said it was the ***10*** creative one in the whole class.
