中考英语完形填空：参加学校读书分享会

完形填空原文

Our school library held a reading sharing meeting last Wednesday. Students *1* favorite genre was science fiction were invited to talk about one book they had read recently.

I chose a novel *2* main character travels through time. I practiced my speech at home *3* I wouldn't forget the key ideas.

When it was my turn, my heart beat fast. *4*, I took a deep breath and began. I explained *5* the story changed my view of friendship.

The audience listened quietly and nodded from time to time. After the meeting, a girl *6* I didn't know came up and asked *7* she could borrow my book.

I lent it to her happily. On the way home, I thought reading becomes *8* meaningful when we share *9* thoughts with others.

I have already decided *10* another book for the next sharing session.
