11–12 第1篇

中考英语完形填空：参加学校辩论赛

完形填空原文

Our school held an English debate *1* the topic of “Phones in Class”. I was nervous *2* I had never spoken in front of so many students before. The hall was bright, and microphones stood on the stage like thin silver trees.

My partner Lily and I practiced *3* school for a week. She helped me organize *4* ideas and use polite language. We recorded short videos to check our speed and eye contact. On the match day, when our names *5* called, my heart beat fast.

During the free-debate part, I answered a question *6* than I expected. The judges smiled, *7* I knew we did well. In the end, *8* team won second place. We hugged each other and took a photo with our certificates.

This experience taught me *9* courage is built step by step. I am thankful *10* my teachers and teammates who trusted me. On the way home, I kept thinking about how one clear sentence can change a whole room.
